MEMORANDUM FOR: Legislative Counsel

FROM: James H. McDonald
Director of Logistics

SUBJECT: Congressional Inquiry on Behalf
of Mario Biaggi -- Congressman
from New York

REFERENCE: Memorandum to DCI from Biaggi,
dated 7 Jan 1980
(ER 80-3079, DDA 80-0141)

1. [] of your office called []
[] of my Staff on 17 January 1980 with regard to the
referent memorandum. She advised that the reference to
Computer Technologies Corporation was incorrect and should
have referred to Computron Technology Corporation. She
also asked that we ignore the initials CTC.

2. In response to the referent memorandum, as
corrected by [] you are advised that this Agency
has had no contracts with Computron Technology Corporation.
There have been 10 contracts between CIA and Wang Laboratories
since 1975. We have no knowledge of any subcontracts
from Wang Laboratories to Computron, but we must also
say that such information is not a part of our Automated
Data Base for our contracts. Based on the value of the
contracts that have been placed with Wang, it is very
doubtful that any substantial subcontracting activity
occurred.

3. All aspects of contracts with Wang have been
unclassified.

Dear Admiral Turner:

I am writing to determine if any contracts from your agency were awarded to the Computer Technologies Corporation (C.T.C.) of New York City. This corporation is a subsidiary of the Wang Laboratories, Inc. of Lowell, Massachusetts.

Similarly, I would be interested in knowing of those contracts which may have been awarded to Wang and then subcontracted to C.T.C. Please respond to the above referenced code. *Computer Technology Corp*

Your prompt attention to this request would be very much appreciated.

Sincerely,

MARIO BIAGGI, M.G.
